Collins, Council Vice President

AGENDA ITEM

24-033 - Zoning Ordinance Updates with Innes Associates Team

FULL TEXT AND DESCRIPTION

This is the 29th zoning updates project meeting with Innes Associates in this committee. The following will be discussed:

- Discussion of Tufts Institutional Zoning framework
- Discussion of Parking Requirements framework
- Review of upcoming zoning updates project topics from July 2025 to December 2025
- General discussion of updates to the Zoning Ordinance

Be it Resolved by the Medford City Council that the Planning and Permitting Committee invite staff from the Office of Planning, Development, and Sustainability and Innes Associates, the Medford City Council's Zoning Consultant, to discuss our upcoming comprehensive review and update of the Zoning Ordinance.

Vice President Collins moved to refer the paper to the Planning and Permitting Committee (Councillor Scarpelli second)—referred to the Planning and Permitting Committee.
