FY25 Budget Recommendations of Councilors

President Bears

- Ensure level service funding for Medford Public Schools
 - Retain all ARPA-funded staff positions for city departments
 - Address lack of pay raise for part-time, non-union staff at Medford Public Library
 - Increase funding for code enforcement in Building Department
 - Appropriate seed money as part of budget or from free cash to create clear plan and pricing for updating city financial software and payroll systems
-

Vice President Collins

Primary priority: In our first post-ARPA and ESSER operating budget, we must maintain capacity within City departments; maintain capacity for key City functions and priorities, including long-term/multi-year projects like road and sidewalk improvements and housing, climate resiliency, and capital projects planning; while maintaining constituent service and school experience for all residents.

1. Prioritize meeting School Department budgetary request.
2. Prioritize meeting Library Department budgetary request and maintaining level service and hours of operation.
3. Maintain grant-funded personnel in Health Department, Office of Outreach and Prevention, and Office of Planning, Development and Sustainability.
4. Increase budgeted amount for City Solicitor salary +\$49,871.00 to maintain competitiveness with neighboring municipalities.
5. Increase budgeted amount for Assistant City Solicitor salary +\$37,178.00 to maintain competitiveness with neighboring municipalities.
6. Escalate Elections Manager position to Elections Director and increase budgeted amount for salary +\$28,573.00 to attract competitive, qualified candidates.

Areas of study/secondary priorities:

- Implementing Massachusetts Paid Family & Medical Leave program for all City employees
 - Increase City's competitiveness with private employers and other municipalities

- Along with implementation of Compensation & Classification Study findings, help attract and retain competitive candidates in City positions to achieve fuller staffing and increase capacity across departments
 - Provide a positive and needed benefit for municipal workers
 - Study or consultant review of Finance Department software upgrade options and develop implementation scenarios
 - Apart from expanding personnel budget, what software and financial tools would increase capacity and effectiveness of Finance Department and reduce workflow bottlenecks? (i.e. payroll and retro pay processing; reporting; analysis; expanding capacity for long-term and capital planning)
 - Budgetary impact of potential upgrades and over how many operating budgets these investments could be made
-

Councilor Callahan

- Tree planting budget should equal the amount needed to plant the number of trees that Medford loses per year (best estimate of five year average).
 - I would like to see a 5-year plan for fixing our roads & sidewalks so we can understand how the upcoming budget fits into this medium-term plan. At a minimum, the budget for roads & sidewalks should come with an explanation of what will be accomplished with those funds compared to the plans from the Pavement Management Study / Sidewalk Study
 - Small slush fund for creative support of local businesses. \$10K?
 - City solicitor & assistant salary increases (VP Collins). Also agree with raising salaries for other open positions.
 - Elections department & Elections Director fully funded (VP Collins/Tseng).
 - Maintaining Community Liaisons (Tseng).
 - DPW hard-top crew (Scarpelli).
 - Level funding for MPS including positions paid for with funds that may be ending/have ended (many).
-

Councilor Lazzaro

- Protect from cuts are Board of Health, anything to do with services for vulnerable residents, schools, and affordable housing/protecting residents dealing with housing insecurity and housing issues.
-

Councilor Leming

- Money for linkage and nexus studies
 - Increased salaries for library pages
 - More staffing in the elections office
 - Permanent salary for community social worker
-
