Revert back to regular session

David Murphy: The SC in Exec. Session was considering a tentative agreement for 2020-2021 school year. Negotiations began in summer of 2020.

There were a series of tentative agreements in September that allowed for return of students. This put the district on a very positive footing. Allowed for the in-person instruction we have had. The admin is grateful to the union and the union leadership for constructive dialog. There a few highlights:

- Heightened air quality standards
- Mandatory COVID testing which will continue for remainder of school year
- Provisions we have made regarding disengagement of students
- Participation in additional information sessions for families going into the 2021/2022 school year.

Admin believes this agreement is in the best interest of students. Final comment, this MOA has been a step forward in the relationship with the union. With that positive foundation with which to build, we look forward to continued work with the Medford Teachers Association.

Paulette Van der Kloot: I extend our thanks to Charlene Douglas and the negotiating team. So much work and time has gone into it.

Charlene Douglas: Thanks to Mr. Murphy and the admin team. Very equitable and fair MOA. I am pleased as is the membership. We had a meeting for two hours and held our vote. It was a positive and teachers feel good about it. We work well together and look forward to working together going forward.

Mayor Lungo-Koehn: Thank you Ms. Douglas. We look forward to moving forward and are happy to have our kids back in school.

Motion Jenny Graham: Seconded Paulette Van der Kloot;
There was a 7/0 vote to accept the MOA for this school year.

Jenny Graham: Thanks to Charlene Douglas and the negotiating team and to all the teachers who are showing up in this very difficult year.

Dr. Edouard-Vincent: Thanks to the leadership of Charlene Douglas and the negotiating team. Pre-K to 12 students in school is a wonderful accomplishment. Thank you for your hard work on behalf of the Medford Students.

Melanie McLaughlin: Getting the most vulnerable students in on a four day basis is so appreciated by many families.

Mayor Lungo-Koehn: Listed 2.8 meeting and 2.10 COW meeting. Columbus renaming will be scheduled for a COW in march.
