IX. Old Business

X. Communications

XI. New Business

1. In light of recent events in Boston regarding the participation of the Student Representative to the School Committee, a conversation with the current representatives, Colin Bailey, and David Mei, will take place at 4:00 PM on March 24, 2021, at the Rules, Policy, and Equity Subcommittee meeting to understand how they are experiencing participation as our Student Representatives as well as what changes may be necessary to better integrate their voices and respect their participation as critical members of the committee.

Offered by: Paul Ruseau

2. As Medford Public Schools continue to work towards implementing our value of equity and taking action to root out systems that work against equity, the After School and Before School application processes will require demographic data on the students and families that apply for our limited enrollment in these programs. This data will not be used to select applicants but will be used in the future to guide new policy decisions in our efforts to create a more equitable system. Data will be connected to applicants so that we can understand how changes in policy affects enrollment and waitlists.

Offered by: Paul Ruseau, Jenny Graham

4. School Committee Resolution: Condolences

The Medford School Committee expresses its sincere condolences to the family of Helen Chiesa, mother of former Superintendent of Schools Administrative Assistant Denyce Chiesa Mahoney, Aunt of Administrative Assistant for Early Childhood Program Cheryl Alpers and Grandmother in Law of Director of Humanities Dr. Nicole Chiesa.

The Medford School Committee expresses its sincere condolences to the family of Robert Olsen, a former custodian for the Medford Public Schools.

The Medford School Committee expresses its sincere condolences to the family of Susan Bratton, known to many as Sue, was a graduate of Somerville High School and proud of it. She received her Bachelor and Master degrees from Boston College in the field of Language: Latin, which was her love. She began her career of over 20 years in the Medford Public Schools as a Paraprofessional. She started her employ at the Franklin School, as a 1:1 with a student who had mobility problems. Later she spent time at the McGlynn Complex doing what she loved to do: work with children who needed special care. Susan touched the lives of many students, parents and faculty alike in the Medford Public Schools.
