The new plaque will follow a similar format to that of the plaque in the Columbus Elementary School and will list the School Committee Members and all appointed members of the Advisory Committee members. (Tabled from 6.7.2021 Meeting) - *Offered by Paul Ruseau*
2. Be it Resolved: That the Regular School Committee meetings be posted for a start time of 6:30 pm with the understanding that the actual meeting may begin anytime thereafter if an Executive Session or Committee of the Whole meeting held prior to the meeting is elongated.

Subcommittee meetings will be scheduled by the Chairperson of the subcommittee at a time which is convenient for the subcommittee members and the administrative team. All meetings will be recorded and made accessible to the public. - *Submitted by Kathy Kreatz and Paulette Van der Kloot*
3. On February 3, 2020, this body unanimously voted to make Medford a Hunger Free Community, and in light of the pending federal legislation, the Universal School Meals Program Act of 2021, it is requested that the administration plan for all school meals to be provided at no charge to students at the commencement of the 2021 School Year.

Achieving our unanimously approved goal to make Medford Hunger Free requires action.

Regardless of whether the above pending legislation fails to become law, the request is that the administration offers all school meals at no cost to students and that all funding sources be considered including ESSER grants. If ESSER grant funding cannot be utilized and there are no other sources of revenue, the administration will provide an update to the School Committee at our first meeting in September on the projected financial impact to our budget, but that the policy of free meals will be implemented nonetheless. - *Offered by Paul Ruseau, Mea Mustone, Jenny*
