#### VI. Presentations of the Public (not to begin before 7:00pm)

“Regular Meetings of the School Committee include this ‘Presentations of the Public’ agenda item to give any resident the opportunity to place a presentation before the School Committee. A resident may only present once at any meeting.

These presentations are an opportunity for the public to make a presentation to the Committee but are not opportunities for dialog with the Committee. If one or more members of the Committee wishes to have a conversation about the topic presented, a member may request that the item be added to a subsequent Regular Meeting.

The details for submitting a presentation can be found within the policy BEDH, Public Comment and Presentations of the Public”

- None

#### Public Comment:

“Pursuant to policy BEDH, Public Comment and Presentations of the Public - any resident in the audience may be given permission to speak once on any item on the agenda for up to three (3) minutes. The speaker is expected to keep their comments to the item on the agenda. The speaker must begin their comments by providing their full name and full Medford street address where they reside. Residents may also submit their comments by writing to the Superintendent of Schools prior to the meeting, or by emailing [medfordsc@medford.k12.ma.us](mailto:medfordsc@medford.k12.ma.us) prior to or during the item on the agenda. Written comments must be kept to a length that allows for them to be read into the record in less than three (3) minutes or the comments will be summarized by the Secretary of the School Committee.

A welcoming inclusive community is both a value of the School Committee and an aspirational goal. We ask for your help in achieving this goal and value your perspective.

When writing or emailing, please provide this required information: 1) The number and name of the item on the agenda. 2) Your first and last name. 3) Your full Medford street address where you reside. 4) Your question or comment”

VII. Continued Business

VIII. New Business

1. The Medford School Committee may send one delegate and one alternate delegate to the MASC/MASS Annual Joint Conference for the purpose of voting during the delegate assembly on the resolutions of the MASC. The conference is Wednesday, November 3 through Saturday, November 6 with the delegate assembly being held on Saturday, November 6. Voting is presently only allowed in person, and thus it is recommended that only members that are able to and are planning to attend the conference be nominated.  
- *Offered by Paul Ruseau*
2. Pursuant to 603 CMR 50.07 (10) two-thirds of member school committees must approve collaborative capital improvement plans. The Shore Educational Collaborative is seeking the approval of this plan from the members which includes the Medford Public Schools. Member school districts are not being asked to fund this plan - the regulation requires us to approve this so that Shore Educational Collaborative may implement this plan. See additional documentation titled “Shore Educational Collaborative Capital Improvement Plan Fiscal Years 2021-2031” provided for the details of this request.  
- *Offered by Paul Ruseau*
3. Given that 10% of the human population is left-handed and in some classrooms, Medford Public Schools utilizes half desks which are designed for the handedness of the individuals using the desk: by January 1, 2022 every classroom will have sufficient left-handed desks in place for the number of students that are left-handed in that space. If information cannot be ascertained to the number of students that are left-handed then 10% of the desk count in classrooms that have these types of desks will be for left-handed students.  
- *Offered by Paul Ruseau, Jenny Graham and Melanie McLaughlin*
