These presentations are an opportunity for the public to make a presentation to the Committee but are not opportunities for dialog with the Committee. If one or more members of the Committee wishes to have a conversation about the topic presented, a member may request that the item be added to a subsequent Regular Meeting.

The details for submitting a presentation can be found within the policy BEDH, Public Comment and Presentations of the Public”

Pursuant to policy BEDH, Public Comment and Presentations of the Public - any resident in the audience may be given permission to speak once on any item on the agenda for up to three (3) minutes. The speaker is expected to keep their comments to the item on the agenda. The speaker must begin their comments by providing their full name and full Medford street address where they reside. A welcoming, inclusive community is both a value of the School Committee and an aspirational goal. We ask for your help in achieving this goal and value your perspective.

VII. Continued Business

- **2022-9** - Offered by Paul Ruseau at 1.24.2022 School Committee Meeting

The Rules of the Medford School Committee have traditionally been passed down through the experience of members. While this has served us in the past, it is not best practice to have rules that are not written down for many reasons, such as the ability to bring new members into the committee efficiently, to ensure compliance and enforcement with our rules, agreement on what the rules are, provide transparency to the public on how we operate, to allow us to evolve our rules to improve over time, and provide a clear mechanism to respond to changes in the law that have an effect on our rules.

This has been a multi-year effort to discover best practices from other committees throughout Massachusetts, document the rules we have been operating under even when not written down, and bring these together to create a set of Rules for the Medford School Committee.

With this Rules document, we will have a place to begin. These rules should not be thought of as immutable, but rather offer us a common ground to improve the functioning of the Medford School Committee.

- *Referred favorably from March 9, 2022 Committee of the Whole, the Rules of the School Committee are recommended for adoption.*

VIII. New Business

The Rules and Policy Subcommittee will review policy JLCC - Communicable Diseases and will return recommended updates to this body prior to the end of the 2021-2022 school year.
