

Rules, Policy and Equity Subcommittee Meeting Jan. 13, 2021

Attendance: Chair, Paul Ruseau
Members: Jenny Graham and Melanie McLaughlin Present
Paulette Van der Kloot also present
Superintendent Edouard-Vincent attending

Paul Ruseau:

Shared his screen with a spreadsheet of list of reports that have been asked for in the past. He also consulted with other school districts as well as with the Superintendent about schedules used in the past.

Draft Spreadsheet:

This list doesn't include Ad Hoc reports. Also many reports may just need to be distributed and not presented during the meeting.

Melanie McLaughlin: How would you define ad hoc reports?

Paul Ruseau; one off report asked on one occasion at a meeting. Following ad hoc report policy we passed a year ago.

If this list is approved by the school committee, the reports on this list don't need to be requested - they should appear on the agendas.

Melanie McLaughlin: I would request a name change for the document to differentiate from ad hoc reports.

Melanie: some of these refer to presentations and maybe not reports. Perhaps the title might include presentations.

Paul Ruseau: We might decide to officially add an ad hoc report that was requested to this list. Goal of the meeting is to get this list as complete as possible.

Meeting type: some of these topics belong at Committee of the Whole

When Expected: month, fall or Spring

Going through item by item and marking each item:

- Enrollment report: consult with Kim Myles on best timing for this report

Jenny Graham: question: we have talked about on another of occasions about getting charter school enrollment data but it would be great to have this information. I would like to know how much money is being spent for medford students to attend charter schools. Our enrollment report should reflect some number of years of history.

Melanie McLaughlin: *Added out of district enrollment*

Paul Ruseau responded: agree it would be nice to have historical context to many of these reports. We should add descriptors for what data elements we are looking for in each report.

- Attendance rates
- Warrants (bills) and Payrolls
- School Open House Schedule
- Special Education Parent Advisory Council (SEPAC) Presentation
- Final Accounting Update Prior Fiscal Year
- Discussion of Committee Goals
- School Improvement plans
- Committee goals
- Draft audit
- Final audit
- District improvement plan
- MCAS results
- School Calendar
- School Committee Meeting Schedule
- Community Schools Report
- School Handbook Changes
- Professional Development report (catalog of all pd that took place over the course of the year)

Jenny Graham: interested in participation rates for programs particularly what is optional and what is mandatory

*Melanie McLaughlin: re PD, SEPAC meetings may provide PD points if qualified.
Susannah Campbell's series on Disability Awareness begins tomorrow.*

- SHORE Collaborative Report
Melanie: Are we getting reports from other out of district sites?
Paulette Van der Kloot: Medford was one of the first districts to participate in SHORE Collaborative. It was created because Out of District placement costs are so high so districts teamed together to create a more affordable option.
- Bullying Report
- WIDA report is the same as the Access Testing report
- Student representative report (added by Paulette Van der Kloot)
- PTO Reports
- Departmental reports
- Technology Report (may be part of the budget process)
- Health Report (vaccinations will be important next year)
- BURN Report: needs a better name. How much was spent in a month? How much money is being burned through?
- Safety

- Transportation
- Ch. 74 updates
- Food Service (financials, participation rates)
Paulette Van der Kloot: There is supposed to be a separate subcommittee to meet on the topic of food service
- Discipline report (added by Melanie McLaughlin)
- Coordinated Program Review (SPED) Now called Tiered Focused Monitoring (to include civil rights complaints PRS, law suits)
- Before/After School
Jenny Graham added: SC should be voting on the rates so report should be in advance of the vote on the rates
Jenny Graham added:
 - Kindergarten Enrollment (in June and October)
 - Summary of Early Literacy testing results from each testing period
 - Number of grievances filed by unions (for Executive Session)

Motion to adjourn: 3 affirmative 0 negative
6:10 PM
