Re: Free Cash Appropriation

Dear President Bears and City Councilors:

I respectfully request and recommend that your Honorable Body approves the appropriation of Free Cash in the amount of One Hundred Thousand Dollars and Zero Cents (\$100,000.00) for the Medford Family Network (MFN) for a grant to bridge a funding gap that MFN has identified, given the loss of funding from one of their major funders, the Children's Trust.

MFN has identified a funding need of \$240,000 for FY27. Fortunately, through efforts by our state delegation, School Committee members, and myself, Tufts University is donating \$50,000, the Cummings Foundation is providing a \$100,000 grant for a period of 3 years, and Senator Jehlen has been working hard on a \$100,000 budget amendment.

This free cash appropriation, together with other funding sources that have been secured or are currently being pursued, will enable the City to begin developing a formal grant agreement this summer. In the meantime, MFN can rely on grant funds it has already received, or expects to receive, to support operations through at least the first quarter. If funding for MFN is not provided in the upcoming state budget, I will work with you all to increase the amount of funds available for the City's one-time grant for MFN to avoid any shortfalls.

We want to be clear that negotiating and executing the grant agreement will take time, and we are working to ensure the process is completed thoughtfully and in accordance with all legal requirements.

As of the submission of this request, the balance of free cash is \$21,012,459.

Respectfully submitted,

Breanna Lungo-Koehn
Mayor
