

**Medford Public Schools**  
**Medford Massachusetts**  
**Medford School Committee**

The following item is added to the Medford School Committee of the Whole agenda on April 25, 2016:

**Executive Session:**

Discussion of Negotiations under exemption #6 of the Open Meeting Law . This exemption allows the Committee to consider the lease or real value of real property in executive session since an open discussion may have a detrimental effect on the negotiating position of the school committee.

Specifically, the School Committee will review and discuss information regarding the “Field of Dreams” athletic fields and the possibility of leasing that complex to an external party on a limited basis for considerations to be determined by the School Committee and in negotiations with prospective vendors.

Mayor Stephanie M Burke

Chairperson

c. City Clerk
