Chairperson Falco stated that the purpose of the meeting was to review School Committee priorities for FY 2014.

Superintendent Belson distributed a report which documented the budget priorities presented by department administrators during the pre-budget reports. The Superintendent also assigned a central office rating to each request as follows:

1. Essential
2. Highly Desirable
3. Desirable
4. Discretionary

The report identified a total of \$3,820,500 of new requests. The requests were distributed over a three year period. In FY 2014 the required amount was 3,143,000. Projected steps and bargaining increases accounted for \$1,630,000 of the total for FY 2014.

The report also provided information on enrollment and funding trends for a ten-year period.

The School Committee discussed each of these requests in detail. The Committee then attached its own rating to the list of requests (see attached). Special education was deferred to another time when the Director could be present.

The Superintendent explained that the Mayor was working hard on a bottom line figure for the schools. He was trying to pull together funds for the schools from multiple sources.

On the motion of Mr. Scarpelli seconded by Ms. Cugno the meeting was adjourned at 9:45 p.m.

Respectfully submitted,

John Falco
