

City of Medford FY27 Community Preservation Act

EXECUTIVE SUMMARY FOR CITY COUNCIL
SEPTEMBER 15, 2027

Barry Park - College Ave Grove

Dear City Council,

This executive summary provides an overview of a FY27 Community Preservation Act (“CPA”) funding recommendation made by the Community Preservation Committee (“CPC”) for the Medford City Council to consider.

This recommendation took into consideration public feedback received at community outreach events/surveys and priorities of City leadership, was informed by the City’s Comprehensive Plan and Climate Action and Adaptation Plan. This information is intended to provide additional detail of the projects and the community impact.

We thank you for your time and consideration.

Respectfully submitted,

Theresa Dupont
Community Preservation Act Manager

Project: Barry Park - College Ave Tree Grove

Funding Recommendation: \$8,500

Applicant: TreesMedford

CPA Category: Open Space/Recreation

[Link to application materials here](#) or by visiting medfordma.org/boards-commissions/community-preservation-committee and selecting ‘FY27 Applications Under Consideration’

Project Summary:

TreesMedford is seeking funds to plant an intentionally-designed grove of native trees and flowering shrubs at an underutilized portion of Barry Park, along College Avenue. The project will be implemented using volunteer labor; funds are being sought to purchase the plantings, prepare the site with soil amendments and appropriate fencing protection for the plants during their establishment.

Later phases of this project will see a formalized walking path, bench seating, and interpretive signage.

Objectives:

- Continue growing Medford's tree canopy, as identified as a priority in Medford's Climate Action and Adaptation Plan

Key Outcomes:

- Create a community amenity, while converting underutilized open space to viable, usable public area

CPC Funding Conditions:

1. TreesMedford shall obtain written approval of the planting plan from the City's Tree Warden or City designee, and will coordinate with the Office of Diversity, Equity, and Inclusion, and Department of Public Works.
