

**MEDFORD, MASSACHUSETTS  
MAYOR BREANNA LUNGO-KOEHN**

September 24, 2026

**Via Electronic Delivery**

To the Honorable President and  
Members of the Medford City Council  
Medford City Hall  
Medford, MA 02155

**Re: Capital & General Stabilization Fund Appropriation Requests**

Dear President Bears and Members of the City Council:

I respectfully request and recommend that your Honorable Body approves the following appropriations from the:

1. Capital Stabilization Fund in the amounts of:

One Million Three Hundred Thousand Dollars and Zero Cents (\$1,300,000.00) for road resurfacing work on the following streets, including but not limited to, Alfred Street, Almont Street, Billings Avenue, Brooks Park, Burget Avenue, Cedar Cliff Terrace, Crescent Street, Fern Road\*, Fountain Street, Hamlin Avenue, Lookout Road, Madison Street, Maple Avenue, Maynard Street, Mitchell Avenue, Osborne Road, Pilgrim Road, Second Street\*, Sherman Place, Valley Road, Vine Street, and Walter Street. Please see attached map of these streets.

*\*partial road segment, not entire length of road.*

- a. One Million Dollars and Zero Cents (\$1,000,000.00) for the replacement of the turf at Hormel Stadium.

The Capital Stabilization Fund currently has a balance of \$12,428,450.

2. General Stabilization Fund in the amount of Forty Thousand Dollars and Zero Cents (\$40,000.00) to fund the Medford Connects program. Attached is a document that outlines information and history on the Medford Connects program.

As of the writing of this paper, the balance of the General Stabilization Fund before this vote is \$6,000,000. (A request to appropriate \$35,000.00 for an executive search and recruitment company to hire a new police chief is still pending.)

City Engineer Owen Wartella will be available for request 1a, Recreation Director Kevin Bailey for request 1b, and Health and Human Services Director MaryAnn O'Connor & Assistant HHS Director Catherine Dhingra for questions on request 2.

Thank you for your kind attention to these matters.

ROADWAY MILL & PAVE

## ***MEDFORD CONNECTS: Sustaining a Trusted Community Connection to City Services & Resources***

**What is Medford Connects?** Medford Connects is the City's community-based outreach and connection network, helping residents access information, services, and resources through trusted, culturally and linguistically responsive relationships. Community Liaisons and Connectors bring services directly into neighborhoods while connecting City departments, schools, nonprofits, and community partners to coordinate resources and respond to emerging needs. Supported by the MVP Program since 2021, including approximately \$375,000 in FY26, MVP funding helped build Medford Connects into a model for strengthening social resilience and addressing climate vulnerability. **MVP was not re-awarded in the current cycle**, as MVP shifted greater emphasis toward infrastructure and other climate investments.

**What Does Medford Connects Do?** The program combines Community Liaisons and Community Connectors to reach residents through trusted relationships and community-based outreach. ***Community Liaisons*** are trained Community Health Workers who provide culturally and linguistically responsive outreach, including assistance with MassHealth, SNAP, housing, and other services. They also provide interpretation, share City information, organize cultural events, and bring community concerns back to the City. ***Community Connectors*** bring lived experience, community relationships, and professional expertise in six areas: Immigrant Support & ESOL, Older Adults & Disabilities, Youth & Families, Financial Security, Food Systems, Climate Equity. Together, the team serves as a virtual front door to local resources through neighborhood outreach, resource hubs, language-specific WhatsApp groups, newsletters, community events, and partnerships.

**Impact:** In the last fiscal year, Medford Connects reached more than 7,000 residents through direct outreach, navigation, and community engagement. Staff provided 780+ MassHealth navigation sessions, delivered 1,040 food deliveries to low-income older adults, connected 230 children with back-to-school supplies, and provided 230+ residents with Winter Preparedness supplies. The program also engaged 150 teens through a job readiness summit and brought 1,000+ residents together through cultural and community events. Through the Food Security Task Force, ESOL Council, and cross-sector partnerships, Medford Connects also strengthens coordination among City departments, schools, nonprofits, and community organizations.

**Current Funding Situation:** When fully funded, Medford Connects supported a team of 12 Community Liaisons and Connectors working approximately 15 hours per week (\$280,000). Current BARR Foundation funding allows the City to maintain 8 staff members (5 Community Liaisons and 3 Connectors) at approximately 8 hours per week through June 30, 2027. However, demand for outreach and navigation continues to exceed current capacity. An additional **\$40,000** would allow our current 8 Community Liaisons and Connectors to increase from **8 hours to 12 hours per week**, restoring 32 hours of weekly staff capacity across the team. This additional capacity would expand resident outreach, navigation, language-specific engagement, community partnerships, and follow-up while helping meet the continued demand for services.

**Looking Ahead:** OPO is actively pursuing additional funding to sustain Medford Connects, including a recent Letter of Intent to the Cummings Foundation, continued discussions with the

BARR Foundation regarding future support, and applying for other funding opportunities as they arise.
