Re: Capital & General Stabilization Fund Appropriation Requests

Dear President Bears and Members of the City Council:

I respectfully request and recommend that your Honorable Body approves the following appropriations from the:

1. Capital Stabilization Fund in the amounts of:

    a. Eighty-Five Thousand Dollars and Zero Cents ($85,000.00) to fund schematic drawings and feasibility study (phase 1) for the Recreation Center Rehabilitation project; and
    b. Seventy-One Thousand Dollars and Zero Cents ($71,000) to fund repairs and weatherproofing at the Fire Headquarters, including, but not limited to, window replacement and resealing windows.

The Capital Stabilization Fund has a balance of $11,182.980.00.

2. General Stabilization Fund in the amount of Twenty-Four Thousand Four Hundred Seventy-Six Dollars and Forty-Four Cents ($24,476.44) to fund repairs at the old police station given a flooding event.

    As of the writing of this paper, the balance of the General Stabilization Fund before this vote is $5,960,000.00. (A request to appropriate $35,000.00 for an executive search and recruitment company to hire a new police chief is still pending.)

Facilities Director David MacIntyre will be available for questions.

Thank you for your kind attention to this matter.
