***Presentations of the Public (not to begin before 7:00 pm)***

“Regular Meetings of the School Committee include this ‘Presentations of the Public’ agenda item to give any resident the opportunity to place a presentation before the School Committee. A resident may only present once at any meeting.

These presentations are an opportunity for the public to make a presentation to the Committee but are not opportunities for dialog with the Committee. If one or more members of the Committee wishes to have a conversation about the topic presented, a member may request that the item be added to a subsequent Regular Meeting.

The details for submitting a presentation can be found within the policy BEDH, Public Comment and Presentations of the Public”

Pursuant to policy BEDH, Public Comment and Presentations of the Public - any resident in the audience may be given permission to speak once on any item on the agenda for up to three (3) minutes. The speaker is expected to keep their comments to the item on the agenda. The speaker must begin their comments by providing their full name and full Medford street address where they reside. A welcoming, inclusive community is both a value of the School Committee and an aspirational goal. We ask for your help in achieving this goal and value your perspective. Employees of the Medford Public Schools are exempt from the residency requirement of this policy. The voice of our employees is welcomed on all matters before this body. When a non-Medford-resident employee is participating in public comment or submitting a presentation of the public they will include their home address and identify themselves as an employee of the Medford Public Schools.

**Recognition of Autism Acceptance Month**

Whereas Autism Acceptance Month is recognized in the Month of April; and

Whereas Autism Acceptance Day is recognized on the second of April;

Now, therefore, be it

Resolved, that the Medford Public Schools and Medford School Committee:

1. Recognize Autism Acceptance Month within the Medford Public Schools System;
2. Recognize for future usage Autism Acceptance Day as April 2 on all official Medford Public Schools Calendars distributed to the public; and
3. Report to the Medford School Committee on steps being taken with the Medford Public Schools to support students impacted by Autism Spectrum Disorder (ASD) and how we go about identifying students who may need these services that have yet to receive them.

Explanation:

Those within and advocates of the autism spectrum community are looking to distance themselves from groups that treat autism as a disease and something that “needs to be healed”. The focus is not on awareness of Autism Spectrum Disorder (ASD), but more of a focus on acceptance of the members of our community that fall under the autism spectrum and making sure there are equitable systematic pathways for their success. Being conscious of decisions that may impact members of the ASD community, both systematically and socially. This is the first step in this process to better understand and see how we as a City can better serve our community members impacted by ASD.
