The school community members include the School Committee, employees, administration, faculty, staff, students, volunteers in the schools, and parties contracted to perform work for the Medford Public Schools.

The Medford Public Schools does not exclude from participation, deny the benefits of the Medford Public Schools from or otherwise discriminate against individuals on the basis of race*, color, sex, sexual orientation, gender identity, sex stereotypes, sex characteristics, religion, disability, age, genetic information, active military/veteran status, marital status, familial status, pregnancy, or pregnancy-related condition, housing status, ancestry, ethnic background, national origin, or any other category protected by state or federal law in the administration of its educational and employment policies, or in its programs and activities.

This commitment to the community is affirmed by the following statements. The School Committee commits to:

1. Promoting the rights and responsibilities of all individuals as set forth in the State and Federal Constitutions, pertinent legislation, and applicable judicial interpretations.
2. Encouraging positive experiences in human values for children, youth, and adults, all of whom have differing personal and family characteristics and come from various socioeconomic, racial, and ethnic groups.
