ACH - IMMIGRATION ENFORCEMENT POLICY (First Reading)

The Medford Public Schools does not request immigration status as part of its registration process. MPS is committed to serving all children whose principal domicile is in Medford. The district is committed to maintaining a safe and productive learning environment for its students. To provide a public education, regardless of child or family immigration status, absent any applicable federal, state, or local law, regulation, ordinance, or court decision, and in the absence of proof of criminal proceedings as determined by a law enforcement agency, the District shall abide by the following practices and procedures:

Discrimination, Harassment, and Bullying

In accordance with the District's Nondiscrimination and Bullying Prevention Policies:

1. Any allegations of bullying or harassment of students based on their race, ethnicity, color, national origin, or immigration status shall be promptly investigated and handled in accordance with District policy.
2. Student residency determinations will not be based, in whole or in part, on the student's immigration status.

3. District personnel will not inquire about a student's immigration status, or require documentation of a student's legal status, such as asking for a green card or citizenship papers, at initial registration or at any other time.
4. District personnel will not make unreasonable inquiries of a student or his/her parents/guardians to expose the child's or his/her family's immigration status.
5. District personnel shall be attentive to school curricula to ensure that it is inclusive and nondiscriminatory. All District curricula shall encourage respect for the civil rights of all individuals regardless of race, color, sex, gender identity, religion, national origin or sexual orientation.
6. District personnel will not require students to apply for Social Security numbers.
7. District personnel shall promptly report any potential or alleged hate crime to the local law enforcement agency.

Access to Records

In accordance with Medford Public Schools Student Record Policy and state laws and regulations (603 CMR [23.00](#) et seq.):

1. Unless directed by the Superintendent and under a signed judicial court order, District personnel shall not share student record information, including immigration status, with any immigration law enforcement official or agent.
2. All requests for student records or student record information documents by ICE or INS should be forwarded to the Superintendent, who may consult with the District's legal counsel to determine if the documents can be released.
3. Principals may remind families of their right to opt out of disclosure of student directory information, which includes the student's name, address, and date and place of birth.

Access to School Premises

Because an ICE or INS visit may severely disrupt the educational setting, requests by ICE/INS to visit a school site will be denied unless the Superintendent is presented with a signed judicial court order. The Superintendent's Office will review the order with legal counsel before a decision is made to allow access to the site.

If immigration law enforcement agents arrive at your school building, Principals shall take the following steps:

1. Do not allow the agents into the school building until instructed to do so;

2. Request identification from the agents and a copy of any judicial warrant;
3. Immediately contact the Superintendent's office for further instructions.

Dismissal of Students

1. Students may **only** be dismissed to persons specified by parents/guardians in writing. Principals may remind families to update student emergency contact information to include a robust network of persons who may be called in case of an emergency.
2. Parents/guardians may be provided with a Caregiver Affidavit to designate someone to make educational and/or medical decisions for a child temporarily living with someone other than the parents/guardians.

Handling of Students Whose Parents/Guardians Have Been Detained or Taken Into Custody

If the District receives notification that parents/guardians of a student have been detained or taken into custody by immigration law enforcement officials or agents, the District should take the following steps:

1. Contact the person(s) listed on the student's emergency card to inform the person(s) of the situation and ask if they can retrieve the student;
2. Make arrangements for school counselors to be available to support the student;
3. Contact the Massachusetts Department of Children and Families if parents/guardians have not authorized a responsible adult to receive the student.
4. Consult with the District's McKinney Vento liaison if the student becomes unhoused due to their parent/guardian's detention.
