Presentations of the Public (not to begin before 7:00 pm)

“Regular Meetings of the School Committee include this ‘Presentations of the Public’ agenda item to give any resident the opportunity to place a presentation before the School Committee. A resident may only present once at any meeting.

These presentations are an opportunity for the public to make a presentation to the Committee but are not opportunities for dialog with the Committee. If one or more members of the Committee wishes to have a conversation about the topic presented, a member may request that the item be added to a subsequent Regular Meeting.

The details for submitting a presentation can be found within the policy BEDH, Public Comment and Presentations of the Public”

Pursuant to policy BEDH, Public Comment and Presentations of the Public - any resident in the audience may be given permission to speak once on any item on the agenda for up to three (3) minutes. The speaker is expected to keep their comments to the item on the agenda. The speaker must begin their comments by providing their full name and full Medford street address where they reside. A welcoming, inclusive community is both a value of the School Committee and an aspirational goal. We ask for your help in achieving this goal and value your perspective. Employees of the Medford Public Schools are exempt from the residency requirement of this policy. The voice of our employees is welcomed on all matters before this body. When a non-Medford-resident employee is participating in public comment or submitting a presentation of the public they will include their home address and identify themselves as an employee of the Medford Public Schools.

FOOD ALLERGY AWARENESS WEEK PROCLAMATION

Whereas, as more than 33 million Americans have food allergies, nearly 6 million are children under the age of 18;

Whereas, research shows that the prevalence of food allergy is increasing among children and adults;

Whereas, nine foods cause the majority of all food allergy reactions in the U.S.: shellfish, fish, milk, eggs, tree nuts, peanuts, soy, wheat, and sesame. Food allergy reactions can range from mild symptoms to severe reactions, such as anaphylaxis;

Whereas, anaphylaxis is a serious allergic reaction that is rapid in onset and may cause death:

Whereas, every 10 seconds, food allergy sends a patient to the emergency room. Reactions typically occur when an individual unknowingly eats a food containing an ingredient to which they are allergic;

Whereas, emergency medical treatment for severe allergic reactions to food has increased by 377 percent in only a decade;

Whereas, childhood food allergies cost U.S. families \$34 billion each year;

Whereas now, therefore, be it

Resolved, that the Medford Public Schools and Medford School Committee proclaim May 11-17, 2025: Food Allergy Awareness Week in the Medford Public Schools and encourage the residents of the City of Medford and its associates to increase their understanding and awareness of food allergies and anaphylaxis.
